

Firewise Activities Recording Sheet

Use this sheet to record the measures you take to improve the fire resistance of your home, property and that of the Greer community.
Submit a copy to the Greer Firewise & Wildfire Mitigation Group at: greerfirewise@gmail.com and they will use it as a part of Greer's Firewise application.

Please record on this sheet any time or money you spend on your home and/or surrounding property for the purpose of reducing the probability of wildfire loss.

A few examples of activities and expenses that you should record are:

- Removing trees, brush and bushes from around your structures.
- Cleaning gutters of pine needles and other debris. Cleaning off the roof and clearing anything flammable from within five feet of the base of the structure.
- Removing tree limbs less than six-ten feet from the ground around structures.
- Replacing a shake-shingle roof with a non-flammable alternative.
- Raking pine needles and clearing deadfall 30' around your structures.
