## GCI Annual Fundraising Drive!

**Dear Greer Coalition Members and Members of the Greer Community,**

The Greer Coalition (GCI) is a non-profit association dedicated to preserving the overall character and natural beauty of Greer. The Greer Coalition's objective is to work with other community stakeholders and government officials in addressing critical land use issues. The CGI Board is comprised of volunteer members of the Greer community. GCI continues to be your watchdog organization to monitor land use in Greer, and provide input on issues critical to the stability of Greer in the long term.

**In the past year, the GCI worked to support efforts to revise the Greer area zoning ordinance, Article 6. This work contributed to restricted use of steel shipping containers for housing and clarification of the long-standing prohibition of all manufactured housing. Rules regarding use of recreational vehicles and prohibition of their use for short-term rental were also successfully established.**

Membership to GCI is free to anyone who cares about Greer: Full time residents, part time residents, property owners, business owners, community leaders. While membership is free and all are welcome to join our work, it takes funding to cover expenses related to our efforts. The Greer Coalition Board is asking you for your financial support for the coming year, 2023.

**This annual fundraiser is for organizational expenses as well as to cover costs for professional and legal expertise as needed as land issues vital to the community arise. Please consider making a financial donation to support our efforts! GCI is a 501©(3) non-profit organization and all donations are tax deductible.**
